

V-Cone Applications

Aerospace	Flow Measurement (LOX and Kerosene)
Food	Boilers Steam Water
HVAC	Chilled Water Hot Water Steam Lines
Marine	Pump Testing
Metals and Mining	Gas, Coke Oven Gas (COG) Crucible Furnace Plant Gas Distribution Systems
Natural Gas	Compressor Transmission Leak Check
Oil/Natural Gas Production	Emission Systems Flare Extinguishing Systems Fuel Gas Gas All
Power	Biogas Hot Water for District Heating Natural Gas Boiler NOx Compliance Recirculating Water
	Feedwater
	Fuel Oil
Process & Facility Control	Air / Gas Argon Carbon Dioxide Caustic Compound Blending System
Pulp & Paper	Digester Gases Steam Lines Water to Steam Desuperheater
	Black Liquor Pulp Stock
Semiconductors	Clean Air Measurement from Ducts
Solid Waste	Landfill Gas
Subsea	Gas Injection Gas Production Water Injection
Water	Aeration Sewer Air Digester Gas Filter (pipe) Galleries
